Product #	Product Description and Packaging	
	<b>Formalex® GREEN</b> a liquid control agent for Formalin & Glutaraldehyde <b>The Eco-Friendly Method to Safely Treat &amp; Destroy Formalin Waste and other Aldehyde Waste Solutions to safely dispose into a sanitary sewer</b>	
FXG-01	1-each 1.0 gallon Cubi-tainer of Formalex® GREEN with dispenser spigot	
FXG-250	1-each 2.5 gallon Cubi-tainer of Formalex® GREEN with dispenser spigot	
FXG-05	1-each 5.0 gallon Cubi-tainer of Formalex® GREEN with dispenser spigot	
FXG-30	1-each 30-gallon poly drum of Formalex® GREEN Liquid Control Agent	
FXG-55	1-each 55-gallon poly drum of Formalex® GREEN Liquid Control Agent	
	<b>FORM-ZERO™</b> a unique powdered reagent blend to <b>Neutralize &amp; Destroy formaldehyde &amp; glutaraldehyde in Only 20-25 Minutes for safe drain disposal into a sanitary sewer</b>	
FZ550-12	12 x 500ml bottles of Form-Zero™ powder blend / case	
FZ550-32	32 x 500ml bottles of Form-Zero™ powder blend /case	
	<b>FRC-3™</b> Formalex® “GREEN “ and Form-Zero™ Accessories for <b>Formalin or glutaraldehyde waste collection, treatment, and disposal kits</b>	
FRC-03K	Aldehyde Waste Collection, Treatment & Disposal Kit, each Kit Includes; 1x 2.5-gallon waste collection container; 1x 1.25-gallon waste collection container; 1x waste collection funnel with tissue screen; 1x aldehyde residual test kit; 1x 32oz. Graduated Dispenser, Laminated Instructions, and Material Safety Data Sheets.	
FRC250E	▶ One Pre-Labeled 2.5 gallon Aldehyde Waste Collection Container	
FRC125E	▶ One Pre-Labeled 1.25 gallon Aldehyde Waste Collection Container	
FXG-32E	▶ One Formalex® GREEN pre-labeled 32 fl. oz. (empty) spray bottle	
FUN-01	▶ One Aldehyde Waste Collection Funnel with Tissue Screen	
FRC-01K	▶ Aldehyde Residual Test Kit for testing treated waste aldehyde solutions Kit Includes; 100 test packets, Color indicator, Mixing Bottle & pipettes	
FTK-01P	▶ Replacement - Aldehyde Reagent Powder Test Packet (100 packets/Box)	
FTK-01T	▶ Replacement - Color Indicator Solution for Aldehyde Testing (15-ml bottle)	
	<b>FAN Pad-GL™ “Formaldehyde Absorbent Neutralizer Pads</b> <b>Absorbs &amp; Neutralizes Formaldehyde &amp; Glutaraldehyde, destroying its harmful vapors</b>	
FAN-55	Mini Pad (11" x 11" sheet) 55 sheets per roll, 6 rolls/case (total of 330 sheets/case)	
FAN-614	Small Pad (6" x 14" pad) 8-pads/pack – 6packs/case (48-Heavy Duty pads/case)	
FAN-825	Large Pad (8" x 25" pad) 6-pads/pack – 5 packs/case (30-Heavy Duty pads/case)	
	<b>FAN Pad-GL™ ULTRA</b> A Unique Foundation for Specimen Dissection <b>Absorbs &amp; Neutralizes Formalin &amp; Glutaraldehyde destroying its harmful vapors</b>	
FAN-0811	8" x 11" ULTRA Pad 25 pads/pack – 4 packs/case (total of 100 pads/case)	
FAN-1115	11" x 15" ULTRA Pad 25 pads/pack – 4 packs/case (total of 100 pads/case)	
	<b>FAN Pad-GL™ ULTRA- SHIPPER</b> <b>A Revolutionary Transport Insert Pad</b> <b>Absorbs &amp; Neutralizes Formaldehyde, destroying its harmful vapors</b> <b>Simply Insert Pad &amp; Specimen Container into Biohazard Bag, Seal &amp; Ship</b>	
FAN-404	4" x 4" ULTRA SHIPPER Pad 320 pads/carton – 3 cartons/case (960 pads/case)	
FAN-404CT	4" x 4" ULTRA SHIPPER Pad 320 pads/carton

Product #	Product Description and Packaging	
	<b>Polyform-F™ For Accidental Spills of Formaldehyde, Glutaraldehyde &amp; other aldehyde solutions</b>	
PF-32	Polyform-F™ Free Flowing Granules 1 x 32-oz. dispenser bottle	
PF-04	Polyform-F™ Free Flowing Granules 4 x 1 gallon dispenser bottle/case	
PF-05	Polyform-F™ Free Flowing Granules 2 x 2.5 gallon dispenser bottles/case	
	<b>Form-C™ Neutral Buffered Formalin Concentrate, "1-gallon Makes 5"</b>	
FORM-04	Formalin Concentrate; Each case makes 20 gallons of 10% NBF (4 x 1 gallon/case)	
	<b>Infutrace™ Formalin vapor control for Anatomy &amp; Biology Labs</b>	
IT-250	Concentrated tissue infusion, dip, soak or spray solution (1 x 2.5 gallon cubi-tainer with dispenser spigot )	
IT-32E	Infutrace™ Pre-Labeled Empty Bottle with Sprayer (Empty 1x 32-fl oz spray bottle)	
	<b>SafeCubeDispenser™ Safest method for filling small specimen containers</b>	
SCD-100A	Secondary spill containment for 5-gallon cubitainers of Formalin	
	<b>SlideBrite™ The Odorless Xylene Alternative</b>	
SB-04	Odorless, Non-Flammable, Non-Hazardous Clearing Agent (4x1 gallon/ case)	
SMM-16	S-Mount™ Mounting Medium for use with Slide Brite™ (500ml /16 oz. Bottle)	
SMM-04	S-Mount™ Mounting Medium for use with Slide Brite™ (120ml /4 oz. Bottle)	
	<b>SASCO Acid Handler™ Neutralizes/Solidifies Spills of Acid solutions</b>	
AH-32	Acid Handler™ is a Free Flowing Powder (1 x 32 oz. dispenser bottle)	
AH-04	Acid Handler™ is a Free Flowing Powder (4x1 gallon dispenser/case)	
	<b>SASCO Base Control™ Neutralizes/Solidifies Spills of Base/Caustic solutions</b>	
BC-32	Base Control™ is a Free Flowing Powder (1 x 32 oz dispenser bottle)	
BC-04	Base Control™ is a Free Flowing Powder (4x1 gallon dispensers/case)	
	<b>SASCO Solvent Handler™ For Spills of Flammable/Hydrocarbon solutions</b>	
SH-32	Solvent Handler™ is a Free Flowing Granule (1 x 32 oz. dispenser bottle)	
SH-04	Solvent Handler™ is a Free Flowing Granule (4x1 gallon dispensers/case)	
	<b>SASCO Chlorine Control™ Neutralizes/Solidifies Spills of Chlorine solutions</b>	
CC-32	Chlorine Control™ is a Free Flowing Powder (1 x 32 oz dispenser bottle)	
CC-04	Chlorine Control™ is a Free Flowing Powder (4x1 gallon dispensers/case)	
	<b>SASCO Auto-Suite™ Cleaner/Degreaser Specially Designed for Anatomy/Autopsy</b>	
AUTO-04	Auto-Suite™ a concentrated cleaner/degreaser solution (4x1 gallon/case)	
See Brochure	<b>SRK™ "Spill Response Kits"</b> Ideal for small chemical users, customized kits for your specific needs
