Product #	Product Description and Packaging	
	<b>Formalex® GREEN</b> a liquid control agent for safe drain disposal of <b>Formalin, Glutaraldehyde and other Aldehyde Waste Solutions</b>	
FXG-01	1-each 1.0 gallon Cubi-tainer of Formalex® GREEN with dispenser spigot	
FXG-250	1-each 2.5 gallon Cubi-tainer of Formalex® GREEN with dispenser spigot	
FXG-05	1-each 5.0 gallon Cubi-tainer of Formalex® GREEN with dispenser spigot	
FXG-30	1-each 30-gallon poly drum of Formalex® GREEN Liquid Control Agent	
FXG-55	1-each 55-gallon poly drum of Formalex® GREEN Liquid Control Agent	
	<b>FORM-ZERO™</b> a unique powdered reagent blend for safe drain disposal of <b>formaldehyde &amp; glutaraldehyde in Only 20-25 Minutes</b>	
FZ550-12	12 x 500ml bottles of Form-Zero™ powder blend / case	
FZ550-32	32 x 500ml bottles of Form-Zero™ powder blend /case	
	<b>FRC-3™</b> Accessories for Formalex® “GREEN “ and Form-Zero™ <b>Formalin and glutaraldehyde waste collection, treatment, and disposal kits</b>	
FRC-03K	Aldehyde Waste Collection, Treatment & Disposal Kit, each Kit Includes; <ul style="list-style-type: none"> <li>• 1x 2.5-gallon waste collection container</li> <li>• 1x 1.25-gallon waste collection container</li> <li>• 1x waste collection funnel with tissue screen</li> <li>• 1x aldehyde residual test kit, (Product # FRC-01K)</li> <li>• 1x 32oz. Graduated Dispenser</li> <li>• Laminated Instructions and</li> <li>• Material Safety Data Sheets.</li> </ul>	
FRC250E	► One Pre-Labeled 2.5 gallon Aldehyde Waste Collection Container	
FRC125E	► One Pre-Labeled 1.25 gallon Aldehyde Waste Collection Container	
FXG-32E	► One Formalex® GREEN pre-labeled 32 fl. oz. (empty) spray bottle	
FUN-01	► One Aldehyde Waste Collection Funnel with Tissue Screen	
FRC-01K	► Aldehyde Residual Test Kit for testing treated waste aldehyde solutions Kit Includes; 100 test packets, Color indicator, Mixing Bottle & pipettes	
FTK-01P	► Replacement - Aldehyde Reagent Powder Test Packet (100 packets/Box)	
FTK-01T	► Replacement - Color Indicator Solution for Aldehyde Testing (15-ml bottle)	
	<b>FAN Pad-GL™ “FormaldehydeAbsorbent Neutralizer Pads</b> <b>Absorbs &amp; Neutralizes Formaldehyde &amp; Glutaraldehyde, destroying its harmful vapors</b>	
FAN-55	Mini Pad (11" x 11" sheet) 55 sheets per roll, 6 rolls/case (total of 330 sheets/case)	
FAN-614	Small Pad (6" x 14" pad) 8-pads/pack – 6packs/case (48-Heavy Duty pads/case)	
FAN-825	Large Pad (8" x 25" pad) 6-pads/pack – 5 packs/case (30-Heavy Duty pads/case)	
	<b>FAN Pad-GL™ ULTRA</b> A Unique Foundation for Specimen Dissection <b>Absorbs &amp; Neutralizes Formalin &amp; Glutaraldehyde destroying its harmful vapors</b>	
FAN-0811	8" x 11" ULTRA Pad 25 pads/pack – 4 packs/case (total of 100 pads/case)	
FAN-1115	11" x 15" ULTRA Pad 25 pads/pack – 4 packs/case (total of 100 pads/case)	
	<b>FAN Pad-GL™ ULTRA- SHIPPER</b> A Revolutionary Transport Insert Pad <b>Absorbs &amp; Neutralizes Formaldehyde, destroying its harmful vapors</b> <b>Simply Insert Pad &amp; Specimen Container into Biohazard Bag, Seal &amp; Ship</b>	
FAN-404	4"x 4" ULTRA SHIPPER Pad 200 pads/carton	
	<b>SafeCubeDispenser™</b> Safe method for filling small specimen containers	
SCD-100A	Secondary spill containment for 5-gallon cubitainers of Formalin

Product #	Product Description and Packaging	
	<b>Polyform-F™ Free-Flowing Granules</b> For Accidental Spills of Formaldehyde, Glutaraldehyde & other aldehyde solutions	
PF-32	Polyform-F™ Free Flowing Granules 1 x 32-oz. dispenser shaker bottle	
PF-04	Polyform-F™ Free Flowing Granules 4 x 1 gallon wide-mouth dispenser bottle/case	
PF-05	Polyform-F™ Free Flowing Granules 2 x 2.5 gallon wide-mouth dispenser bottles/case	
	<b>Form-C™ Neutral Buffered Formalin Concentrate, Just add water</b> "1-gallon of FORM-C Makes 5-gallons of 10% Neutral Buffered Formalin"	
FORM-01	Formalin Concentrate 1-gallon/carton	
FORM-04	Formalin Concentrate; 4 x 1-gallon/case	
	<b>Infutrace™ Formaldehyde vapor control for Anatomy &amp; Biology Labs</b> Concentrated solution for re-perfusion of cadavers & for specimen dip, soak or spray	
IT-250	1 x 2.5 gallon cubi-tainer with dispenser spigot	
IT-055	1 x 55-gallon Drum	
IT-32E	Infutrace™ 1 x 32-fluid oz. Empty Bottle, Pre-Labeled with Sprayer	
	<b>SlideBrite™ Xylene Alternative</b>	
SB-04	Non-Hazardous Clearing Agent, Odorless & Non-Flammable, (4x1 gallon/ case)	
SMM-16	S-Mount™ Mounting Medium for use with Slide Brite™ (500ml /16 oz. Bottle)	
SMM-04	S-Mount™ Mounting Medium for use with Slide Brite™ (120ml /4 oz. Bottle)	
	<b>SASCO Acid Handler™ Free-Flowing Powder</b> Neutralizes/Solidifies Accidental Spills of Acid solutions	
AH-32	Acid Handler™ is a Free Flowing Powder (1 x 32 oz. dispenser bottle)	
AH-04	Acid Handler™ is a Free Flowing Powder (4x1 gallon dispenser/case)	
	<b>SASCO Base Control™ Free-Flowing Powder</b> Neutralizes/Solidifies Accidental Spills of Base/Caustic solutions	
BC-32	Base Control™ is a Free Flowing Powder (1 x 32 oz dispenser bottle)	
BC-04	Base Control™ is a Free Flowing Powder (4x1 gallon dispensers/case)	
	<b>SASCO Solvent Handler™ Free Flowing Granules</b> Absorbs and reduces the Flash-Point on Spills of Flammable/Hydrocarbon solutions	
SH-32	Solvent Handler™ is a Free Flowing Granule (1 x 32 oz. dispenser bottle)	
SH-04	Solvent Handler™ is a Free Flowing Granule (4x1 gallon dispensers/case)	
	<b>SASCO Chlorine Control™ Free Flowing Powder</b> Neutralizes/Solidifies Accidental Spills of Chlorine solutions	
CC-32	Chlorine Control™ is a Free Flowing Powder (1 x 32 oz dispenser bottle)	
CC-04	Chlorine Control™ is a Free Flowing Powder (4x1 gallon dispensers/case)	
	<b>SASCO Auto-Suite™</b> Cleaner/Degreaser Specially Designed Especially for Anatomy, Biology & Autopsy	
AUTO-04	Auto-Suite™ a concentrated cleaner/degreaser solution (4x1 gallon/case)	
See Brochure	<b>SRK™ "Spill Response Kits"</b> Ideal for small chemical users, customized kits for your specific needs
